

TRAFFIC SAFETY COMMITTEE FOLLOW UP AND RECOMMENDATIONS

Wednesday November 20th, 2024, Meeting

TC-24-25 – Andrew Weinstein requests the installation of a crosswalk at Hidden Springs Rd at Carriage Way.

Discussion: The requesting resident noted they cross Hidden Springs at Carriage Way to go to a park on the other side. They are requesting a crosswalk be installed. They noted the curbs are already in place and suggested lines be painted to create the crosswalk. They also suggested a crosswalk with a flashing beacon to alert drivers who cannot see them.

Response: Sight visibility and road geometry do not support this being a safe place to cross. Ped volume also does not support need.

Staff action/Reports: No staff action performed in the field.

TSC RECOMMENDATIONS:

The Traffic Safety Committee recommends crossing at the marked crosswalk at Santa Anita/Hidden Springs intersection. No further action is recommended.
