

TC- 24 - 27

REQUEST FOR TRAFFIC CONTROL INVESTIGATION/IMPROVEMENT

This is correct year when school started in 2023

TODAY'S DATE: October 8, 2024 DATE PROBLEM NOTED: 9/1/2023

APPLICANT'S NAME: [REDACTED] TIME OF DAY: All day, but mostly 845-9am & 330-4pm, M-F AM/PM

ADDRESS: [REDACTED] CONTRIBUTING FACTORS: [CHECK ONE]:

TELEPHONE: (H) [REDACTED] (0) Weather (0) Road Surface Condition
(W) [REDACTED] (0) Hedges/Trees (0) Street Lighting
(0) Others _____

LOCATION OF PROBLEM: Lower corner of River Heights Circle and Dollar

REQUEST: Bump out curbs to slow down cars making a right turn onto River Heights from Dollar; red curbs to prevent parking on either side of street near stop sign (River Heights & Dollar); signage to discourage speeding; island to discourage u-turns at River Heights & Dollar

REASON REQUESTED Most cars coming down the hill on Dollar are not adhering to the school speed limit; a lot of cars are making tight, fast turns or u-turns onto River Heights without consideration of pedestrians that they wouldn't be able to see until they turned the corner; parents sometimes drop students off in the middle of the road; cars often are making a u-turn in front of a car coming down Dollar

ADDITIONAL COMMENTS: Would also like signage to address cars idling and playing loud music/talk radio while waiting for students (usually at PM pick up but also when parking for weekend events)

Also, can we get signs on River Heights to discourage parking for school events?

Thank you for completing this informational form. Your input is an important part of analyzing the above described problem. City Staff will review your request and conduct the necessary investigations. Please use the back of this form for a sketch or diagram as appropriate.
