

TC- 24 - 29

REQUEST FOR TRAFFIC CONTROL INVESTIGATION/IMPROVEMENT

TODAY'S DATE: 11/13/24 DATE PROBLEM NOTED: \_\_\_\_\_

APPLICANT'S NAME: [REDACTED] TIME OF DAY: \_\_\_\_\_ AM/PM

ADDRESS: [REDACTED] CONTRIBUTING FACTORS: [CHECK ONE]:

- Weather
- Hedges/Trees
- Others Speed and lack of signage
- Road Surface Condition
- Street Lighting

TELEPHONE: (H) [REDACTED]  
(W) \_\_\_\_\_

LOCATION OF PROBLEM: Elmran/Glen Terrace/Calaroga Dr intersections in the Robinwood neighborhood.

REQUEST: Review of speed limits, lack of signage and possible adding speeding bumps to promote speed reduction and overall safety/awareness of pedestrians.

REASON REQUESTED 1. Pedestrian recently hit.

2. We walk with our two dogs twice a day. Sometimes we bring our daughter along in the stroller or for her to walk with us. here have been numerous occasions where we did not feel there was a safe place for us to be while on our walks.

It typically happens when the school traffic is coming but it can also happen when a construction or delivery vehicle comes through the neighborhood.

ADDITIONAL COMMENTS: There are minimal sidewalks in our neighborhood and we understand that has a large appeal to community members. We undersatnd the constraints of adding them and would like additional cross walks, signs, stop signs and speed bumps put in place to promote pedestrian safety.

*Thank you for completing this informational form. Your input is an important part of analyzing the above described problem. City Staff will review your request and conduct the necessary investigations. Please use the back of this form for a sketch or diagram as appropriate.*
