

REQUEST FOR TRAFFIC CONTROL INVESTIGATION/IMPROVEMENT

TODAY'S DATE: 01/06/2025 DATE PROBLEM NOTED: _____
 APPLICANT'S NAME: [REDACTED] TIME OF DAY: _____ AM/PM
 ADDRESS: [REDACTED] CONTRIBUTING FACTORS: [CHECK ONE]:
 [REDACTED] Weather Road Surface Condition
 Hedges/Trees Street Lighting
 TELEPHONE: (H) [REDACTED] (#) Others no sidewalk
 (W) _____

LOCATION OF PROBLEM: Primary location is the intersection of Elmran + Calaruga Dr. with ~~the~~ additional problems on Elmran from Calaruga Dr to cedar oak.

REQUEST: Enforcement of the stop sign already in place on Elmran. Safe walking space on Elmran. Sidewalk would be wonderful.

REASON REQUESTED Intersection is unsafe for walkers and Elmran doesn't provide enough room to walk safely. The street is narrow and has blind spots.

ADDITIONAL COMMENTS: A sidewalk continuation from cedar oak down Elmran would provide a safe area to walk. Many more kids use Elmran to walk to school than in years past. Especially since the school was gated and you can't enter from the back anymore. Thank you for completing this informational form. Your input is an important part of analyzing the above described problem. City Staff will review your request and conduct the necessary investigations. Please use the back of this form for a sketch or diagram as appropriate.
