LOCATION OF PROBLEM: Crosswalk on Santa Anita Drive at intersection of Horton Road and Churchill Downs Drive.

REQUEST: Add flashing lights at the location. Existing crossing flags have proven to be ineffective.

REASON REQUESTED We have had numerous issues of automobiles speeding in both directions on Santa Anita Drive. Aggressive drivers are unaware of us in the crosswalk until near-miss accidents have occurred. We even have had cars honk at us. One neighbor commented that he was given "the finger."

ADDITIONAL COMMENTS: Our association has received numerous requests from members about this ongoing problem. Many parents walk their children to Trillium Creek Elementary School, and this is a major, unsafe intersection for crossing.
