LOCATION OF PROBLEM: Intersection of Santa Anita and Horton/Churchill Downs

REQUEST: Flashing lights at crosswalk to aid in safe crossing.

REASON REQUESTED My family walks to and from Trillium Creek Primary every day, meaning I use that intersection at least four times a day. On a daily basis, often with my children and other neighbor children in tow, cars fail to stop while we are in the crosswalk or stop abruptly. This is scary for all of us and is an accident waiting to happen.
