LOCATION OF PROBLEM: Rosemont Road - in front of Trillium Creek Primary School - second school entrance heading West

REQUEST: Additional signage or sustainable additional patrol

REASON REQUESTED Every morning during a school day between 7:30-8:00 a.m., parents are having problems turning back out onto Rosemont Rd. after drop off. West bound traffic needing to go straight and wanting to bypass the line of parents trying to get into the school, go via the middle lane that is clearly marked with a solid yellow outer line and an interior dotted line. Near misses have occurred/witnessed as parents turn out and are almost hit by west bounders in that middle lane. Near misses have occurred/witnessed as parents turn out and are almost hit by west bounders in that middle

ADDITIONAL COMMENTS: lane illegally trying to go straight through. This has been more and more noticeable as it seems like more traffic is trying to get through on Rosemont during that time. Have spoken to the principal of Trillium and they are aware and have heard other complaints of the same issue.
