

TC-25 **-06**

REQUEST FOR TRAFFIC CONTROL INVESTIGATION/IMPROVEMENT

TODAY'S DATE: 6/11/25 DATE PROBLEM NOTED: _____

APPLICANT'S NAME: [REDACTED] TIME OF DAY: _____ AM/PM

ADDRESS: [REDACTED] CONTRIBUTING FACTORS: (CHECK ONE):

[REDACTED] ☐ Weather ☐ Road Surface Condition
☐ Hedges/Trees ☐ Street Lighting
TELEPHONE: (H) [REDACTED] ☐ Others _____

(W) _____

LOCATION OF PROBLEM: Intersection of Marylhurst Dr and South Hillcrest drive (<https://maps.app.goo.gl/N1MUDqn38bF9p9TG9>)

REQUEST: Add a sign to the current stop sign saying "CROSS TRAFFIC DOES NOT STOP".

REASON REQUESTED It is not obvious to those driving east on Marylhurst Dr. that there is only one stop sign and that cross traffic does not have to stop. I've been in multiple taxis with near misses at this intersection. I've driven north on S Hillcrest Drive and have had to wait for cars that did not realize that I did not have a stop sign.

ADDITIONAL COMMENTS: When heading east on Marylhurst dr at this stop sign, it is difficult to see traffic coming from south Hillcrest drive due to the retaining wall and high bushes.

Thank you for completing this informational form. Your input is an important part of analyzing the above described problem. City Staff will review your request and conduct the necessary investigations. Please use the back of this form for a sketch or diagram as appropriate.
