REQUEST FOR TRAFFIC CONTROL INVESTIGATION/IMPROVEMENT

LOCATION OF PROBLEM: The intersection of Willamette Falls Dr and W A St

REQUEST: Please consider adding a curved mirror on the bend in the road on Willamette Falls Dr where people

turn left onto W A St, on the side of the road with the apartment building.

REASON REQUESTED During rush hour, both lanes of Willamette Falls Dr are slow moving and block visibility for cars who

are turning left onto W A St. This turn would be much safer if the driver had a mirror to check that no cars are coming up

Willamette Falls. I have seen many close calls when people are turning here.
