LOCATION OF PROBLEM: corner of grant street at sunset ave.

REQUEST: to remove illegal parking pad and add no parking signs.

house flipper has decided to put dirt and gravel overtop of road to create a parking strip.

REASON REQUESTED I have a safety concern of a two lane road that is now only wide enough for one car.  
The parking pad doesn't allow enough room for us to back out safely from our garage into the road and  
I have talked with Clark Ide about this and he agrees that the pad should not be there.  
So can we get public works to scrape the street and put up some no parking signs?
