REQUEST FOR TRAFFIC CONTROL INVESTIGATION/IMPROVEMENT

TODAY'S DATE: 3/30/2026 DATE PROBLEM NOTED: 3/30/2026

APPLICANT'S NAME: _____ TIME OF DAY: All times of day, but especially when Athey Creek is starting or ending day _____ AM/PM

ADDRESS: _____ CONTRIBUTING FACTORS: (CHECK ONE):

_____ () Weather () Road Surface Condition

() Hedges/Trees () Street Lighting

TELEPHONE: (H) [REDACTED] (X) Others No sidewalk

(W)_____

LOCATION OF PROBLEM: Ostman Road, between the cross streets of Michael Dr and Fields Dr.

REQUEST: There is no sidewalk on this stretch of the road on either side, leading people to walk into the street while trying to walk

between these two streets.

REASON REQUESTED This is on the way to the middle school, so there are middle school children in the road, and

many families with small children forced to walk in the middle of the road, while cars driving fast by.

I have witnessed too many close calls between peds and cars and this feels very unsafe, particularly with the

high volume of daily walkers on this portion of the road.
