REQUEST FOR TRAFFIC CONTROL INVESTIGATION/IMPROVEMENT

TODAY'S DATE: April 27, 2026 DATE PROBLEM NOTED: ongoing and worsening

APPLICANT'S NAME: [REDACTED] TIME OF DAY: all day AM/PM

ADDRESS: [REDACTED] CONTRIBUTING FACTORS: (CHECK ONE):

☐ Hedges/Trees ☐ Street Lighting

LOCATION OF PROBLEM: Pimlico Drive going west (uphill) after Summit and beyond Pimlico Terrace to the speed bumps.

REQUEST: Some type of mitigation to slow traffic coming uphill where there are no speed bumps. The speed limit is 25 but

drivers regularly exceed the speed limit by 10-20mph until they must at the speed bumps west of us.

REASON REQUESTED It has become increasingly dangerous to turn out of Pimlico Terrace onto Pimlico Dr. because we aren't

visible until the curve after Summit. The traffic mirror is good for traffic between 25-30mph but often trucks and cars are going 40+mph.

By the time they appear in the mirror, they are already on top of us. Truck traffic has significantly increased since the pandemic.

A smaller mirror is not helpful because images are too small to see well which only increases danger to residents of Springcrest.

ADDITIONAL COMMENTS: There are only two straight routes up the hill from 43, Pimlico Dr and Hidden Springs. I've been in contact

with the state before about the need for a traffic light to no avail. I've asked the city for signage or traffic monitoring to no avail.

Our Springcrest HOA finally put up a sign saying Slow Down: Hidden Driveway and it was removed by the city. I'm at a loss.
