

TC-26**-**18

REQUEST FOR TRAFFIC CONTROL INVESTIGATION/IMPROVEMENT

TODAY'S DATE: June 10, 2026 DATE PROBLEM NOTED: on-going

APPLICANT'S NAME: [REDACTED] TIME OF DAY: _____ AM/PM

ADDRESS: [REDACTED] CONTRIBUTING FACTORS: (CHECK ONE):

[REDACTED] ☐ Weather ☐ Road Surface Condition

☐ Hedges/Trees ☐ Street Lighting

TELEPHONE: (H) [REDACTED] ☐ Others _____

(W) _____

LOCATION OF PROBLEM: Exeter Street - between Lancaster and Oxford

REQUEST: Some kind of calming method would be very helpful in improving the safety of the street.

REASON REQUESTED Drivers frequently speed along this section of the street. Some kind of sign, whether on a post or written on the

pavement, would help to make drivers aware of the pedestrians who frequently walk in the street here.

ADDITIONAL COMMENTS: Like many in West Linn, this street lacks sidewalks on both sides of the street. Perhaps because of the

proximity to Sunset Elementary School, there are quite a lot of pedestrians traveling both directions. While there is the one sidewalk, for

some reason, people have the habit of walking with children and dogs right down the middle of the street. It's dangerous.

Thank you for completing this informational form. Your input is an important part of analyzing the above described problem. City Staff will review your request and conduct the necessary investigations. Please use the back of this form for a sketch or diagram as appropriate.
