TC- _____

REQUEST FOR TRAFFIC CONTROL INVESTIGATION/IMPROVEMENT

TODAY'S DATE: 10/12/2010 DATE PROBLEM NOTED: _____

APPLICANT'S NAME: [REDACTED] TIME OF DAY: _____ AM/PM

ADDRESS: [REDACTED] CONTRIBUTING FACTORS (CHECK ONE):

TELEPHONE: (H) [REDACTED] (W) _____

☐ Weather ☐ Road Surface Condition
☐ Bridges/Cross ☐ Street Lighting
☐ Others _____

LOCATION OF PROBLEM: Intersection of 5th Ave/10th St

REQUEST: Requesting a stop sign and/or speed bumps added on 5th Ave in Willamette on the strip between Willamette Primary and 10th street intersection

REASON REQUESTED: Creating safety concerns - this area has a high number of families with young children and a primary school one block away. This street is used as an alternate route to bypass the congestion at the intersection, and has increased traffic volumes, speeding, and distracted driving. Further, the 5th Ave/10th St intersection is a red corner.

As a traffic engineer, I support this request. I have reviewed the area and the problem described. I agree with the request and believe it is in the best interest of the community.

The combination of speeding traffic, limited protective infrastructure, and presence of children coming and leaving school create a significant safety risk.

ADDITIONAL COMMENTS: We respectfully ask West Linn Public Works Department to evaluate this area and consider installing a stop sign and speed reduction measures to protect the community. Numerous families have raised concerns over the years, and traffic volume continues to increase along with the speed and distracted drivers. Please help protect our children and our community.

Thank you for completing this informational form. Your input is an important part of analyzing the above described problem. City Staff will review your request and conduct the necessary investigations. Please use the back of this form for a sketch or diagram as appropriate.
