

Robinwood Neighborhood Association

SAVE THE DATE: *Tuesday, July 11, 2017 @ 7pm*

Dear Association Member,

On behalf of the Robinwood Neighborhood Association Officers, I would like to cordially invite you to the **Tuesday, July 11, 2017** monthly meeting at the Robinwood Station, 3706 Cedaroak Drive, West Linn, Oregon 97068.

In addition to normal Association business, we are very pleased to welcome City of West Linn Project Manager, John Morgan.

Mr. Morgan will discuss and is seeking opinions on West Linn's Waterfront Project.

We strongly encourage you to take advantage of this public meeting with your attendance, interest, and participation. Association members are encouraged and will be afforded ample opportunity to ask questions, share concerns, observations and ideas with our guest in helping create a great plan for this key part of West Linn's future...

We are aware your time is a very valuable resource. It is our intention to provide a forum which contributes to a city which truly represents its citizens, embraces a careful vision for moving forward, and one in which we encourage all to participate in, grow and enjoy.

We do hope you will attend, and again, please bring a neighbor and expose them to grass-roots public engagement in your local government.

In the interim, please thoroughly enjoy the **July 4th holiday!!!!**

Sincerely yours,
/s/ *Jim*
President

Robinwood Neighborhood Association Board Members

James T. O'Toole, President
Christine Steel, Treasurer

Kazi Ahmed, Vice-President
Jenne Henderson, Secretary

Char Marier, Member-At-Large,
