

YAC Minutes for 2017-10-18: DRAFT
By Evan J McKinley, Secretary

1. Call to Order
Ireland begins meeting 16:00
2. Update on discussions with ASB regarding parking
Evan gives report on last year's survey regarding parking (not a great survey)
Survey fleshed out
3. Update from Rory Bialostosky on high school parking
According to Rory, Shay is willing to mention it on the Live Roar as long as it is an unbiased survey. He will file the lawsuit against the school tomorrow. Some streets by the school really are unsuitable for parking. Recommends short answers on surveys to reduce bias and leading questions. The option with the most bipartisan support is allowing parking on the bridges
4. Write Questions for West Linn High School After School Activity/Parking Survey; discuss time frame to release to student body and method of Dissemination
Hunter, Ireland, Jake, consider that survey would include non-students, like spectators at school American football games
Unanimous vote to work on survey next meeting
Caitlin suggests doing survey in English classes (which are required for all students)
5. Adjourn
Meeting adjourned 16:59
