- RNA bylaws revisions: Bylaws being considered for change were distributed. Discussion ensued. Motion made to amend bylaws as written. Motion passed.
- Discussion on "Candidate and Proxies" for upcoming meetings: Discussion deferred to next meeting.
- Sound System: Jason from Class Tech AV. He demonstrated a system with many versatile and functional features while reasonable in cost (\$1600 including his time to train). Many thought it worked very well and it was reasonably priced. Motion: should we purchase the system presented. Mary made a motion and seconded by Elaine. Motion passed with one opposed.
- RNA and City Stipends: The NA Presidents met, little was accomplished thus far.

New Business:

- Social Media: looking into using social media to increase attendance.

Guests of the Association:

- Mr. John Williams, Community Development Director, City of West Linn. Spoke about sidewalks: City policy is 'sidewalks everywhere' and are required if a new building is erected, the footprint is expanded, or if a change increases the use of the street system. Attendees were not in favor of sidewalks and he encouraged us to start a conversation about the possibility of changing the policy.

Adjourned at 8:17 pm.

Attendees: 17
