New Business: Dawn Meaney introduced as candidate for open RNA Ambassador board position to be voted in March.

Candidates Forum:

Leo Groener on York St. in Sunset Nhd, Industry (IBM, software consulting) and teaching at high school and college level experience. Lived all over country. Always involved in politics. Understanding and helping people and advocate for people. Does not think we can stop tolling. Push for flexibility in tolling through payment software.

Tanner Woodley from Bolton Nhd, in West Linn for 3 years, software engineer with computer and Math degrees. Foster parent with wife. Learned to be hospitable and patient via troubled family life experience. Giving back leads to more happiness. Anti-tolling. Supports Vote Before group. Wants to make sure all people are heard all the time. Moved for people and parks.

Scott Irwin from Iowa, studied English and constitutional law, civil rights and dispute resolution. Moved to PDX 2007 and West Linn 2012. Adjudicator for state unemployment and labor issues. Studying financial planning. Positions on Historic Review Board and Planning Commission. Lean budget, but need sustainability plan. Supports historic Willamette but favors Tax Incremental Financing along 43 for Bolton thru Robinwood.

Candidate and current councilor Bill Relyea arrived but could not stay at the meeting and speak because councilor Mary Baumgardner was also attending and the city staff failed to post a Notice of Potential Quorum as requested.
