4. Community Comments

- Dead animal in streets- Suggestion was to call non-emergency
- yourgov app to put out info to the city that is non-emergency
- Horton road median project, city came out and cleaned it up. Discussion on plants; have city water the plants on Horton, maybe plant Oregon grapes or native plants that only need annual care. David was going to ask for plants from WL on clean up day. Topic tabled until two of the neighbors that brought this up could attend.
- Went over Tanner Ridge project, showed map. Concern about overcrowding in the schools and we & the city need to be forward thinking on this issue. Concern of sidewalk issue for this project as sidewalks are needed on Rosemont. Maybe bring in director of transportation to a meeting to discuss concerns if after the project starts this issue isn't addressed.

- West Linn day on May 20th, be involved if you can and what parks you could go to and how it works.
- Summer picnic will be at the senior center as we can rent out. Maybe outside on the patio. Cost in the air as we may get it for free. Event should be in July, a Sunday from 2-5pm. No decision on date yet.
- Waterfront project- WL wants input on this June 6th at the city meeting. Several ideas on what this area should be and also the Bolton fire station. Majority of attended like the idea of a community center for Bolton fire station. All agreed that a pool was needed.
- Read budget plans and advised when the Youth Advisory Council Mental Health Awareness Night was.
- Google WL meeting- Public can go to the Neighborhood Associations Presidents meeting, they meet once a year to go over what's going on, concern, etc..
- Dean brought in his old signs for our meetings.
