

## Agenda

### Call to Order 7:00 PM

1. **This Agenda – Review and Approve**
2. **Minutes for meeting held in July – Review and Approve**
3. **Treasurer Report** – Cash in Bank. No transactions.
4. **Candidate Presentations** - each candidate will be given 10 minutes to speak AND answer questions. It will be up to each candidate to determine how they wish to allocate their time. I will ask all candidates to spend their time presenting their views and NOT to attack any other candidate - and the same with questions from the audience. Thank you in advance for keeping this an informative, polite experience. **Thus far we have one candidate scheduled to speak; I'm expecting more. I will share the updated agenda a few days prior to the meeting. I am also inviting candidates for other seats to see if they'd like to present - currently Rachel Prusak and Kelly Sloop. Both are running for Oregon House District 37. If there are any other candidates for other positions you'd like me to invite, please let me know**
5. **Attendee Updates** - Round-robin, each attendee reports on how they/their families are doing, any requests for help, fun updates, thoughts during this challenging time.
6. **Ongoing Business**
  - a. **Park Habitat Improvements** – Updates about Sahallie Illahee, Ibach and Wilderness Parks. Discuss next steps – are we ready to start events again? Health concerns? Also reports of litter, etc. Playground update if any news.

- b. **Discussion of West Linn Police Department** and recent news about racial discrimination. Does the NA wish to express any opinion to the City Council?
- c. **Elections – City Council** – Registration for 3 open City Council Seats. Deadline is Tuesday, August 25 at 5:00 PM. Go to this web site to see who is running.  
<https://westlinnoregon.gov/citycouncil/city-council-elections>

7. **New Business**

Any new business?

8. **Upcoming Events**

**Next RSNA Meeting – Thursday October 1<sup>st</sup>, most likely via Zoom. More candidates will be speaking!**

9. **Public Comments (5 minutes per speaker)**
