"Thank you for your volunteerism! A suggestion would be to bring back the displaying of the American flags throughout the neighborhood for the 4th of July and Veteran's Day. My children volunteered along with the Morris family to mount the brackets several years ago on every light pole in the neighborhood and they're still there. Keith Morris has the flags to go in them. For several years they would drive around and mount each flag. What a beautiful sight and tribute it is to see all of the flags waving in our neighborhood every year. The mounting of the flags and a day of volunteering to put up the flags should be offered to the neighborhood school aged kids and their parents to keep the tradition alive. Also, for the 4th of July parade we've always had in the flyer delivered to the neighborhood doors an acknowledgment that all of our Veterans in the neighborhood are invited to walk in the front of the parade and hold the Veteran's banner. Unfortunately, that was left off this year so many Veteran's didn't show and the couple that did didn't know if they should walk in the parade. My dad lives in the neighborhood too and he's a Veteran so I encouraged him to walk in the parade but I felt bad that there were many left out this year and most likely didn't show up to the picnic/parade because of this. Our children in our neighborhood should see our Veteran's being honored, it's a shame we lost out on that teachable moment especially after everything this nation's been through this year. The DJ should have also made an announcement honoring all our Vets in the neighborhood by name and their years of service and what branch they served in and had them individually stand up for an applause, like they have done in year's past, but again it was left out. Hopefully this was just an honest mistake and can be brought back next year. Our Veteran's information and branch of service was in the last published phone directory. Thank you for asking for suggestions!"

"Neighborhood gatherings of some sort. Perhaps one in addition to the 4th of July. "

Tracy Gilday said:

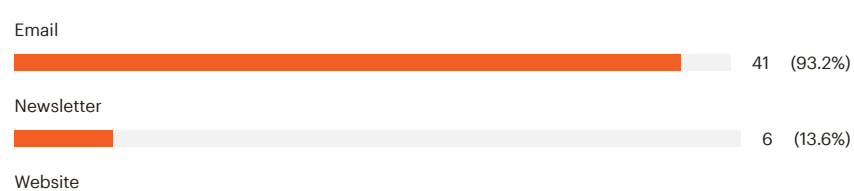

"Neighborhood Website"

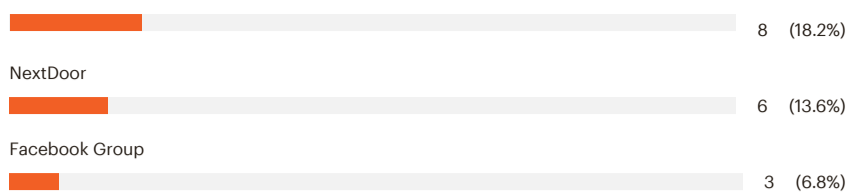

Scott Richardson said:

"I'd love to be helpful to neighbors. The ice storm was a case in point. I have tools and a lot of experience with DIY stuff around the house and with cars."

Question 3 has 44 answers (Checkboxes)

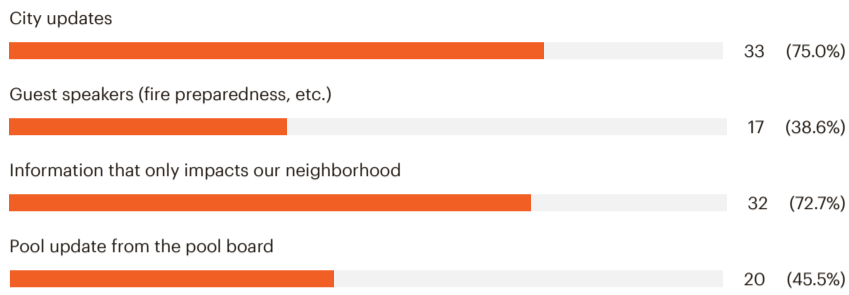

“How would you like to receive news regarding the neighborhood? Including meetings, city updates, etc.”

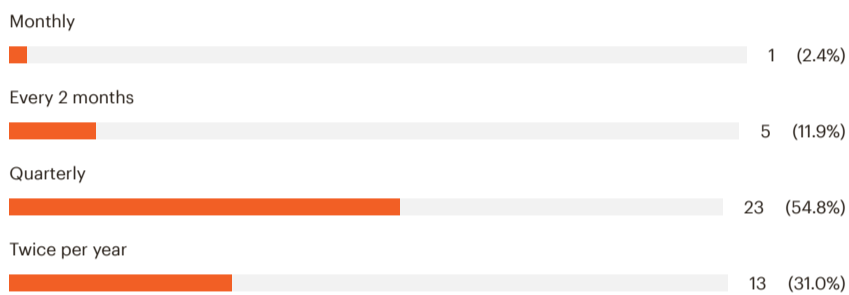

Question 4 has 42 answers (Checkboxes)

“What information would you like to see the Association sharing during our meetings? (check all that apply)”

"The RV and boat storage rules need to be enforced. It changes the look of our neighborhood. All RV's, trailers and boats need to be removed ASAP. It's never been an issue, but newer neighbors might not have been aware of the rules. "
