

WEST LINN
MEETING NOTICE **CANCELED**

Sustainability Advisory Board

March 19, 2020
6:00 p.m.

Bolton Room, West Linn City Hall
22500 Salamo Road
West Linn, OR 97068

In light of the growing concern with the declared COVID-19 pandemic, and need to provide both preventative and cautionary measures, the 3/19/20 meeting is cancelled. This decision was made by the Chair in coordination with the City as a precautionary measure of safety for both members and citizens of our community.

The Oregon State government recommend eliminating non-essential in-person contact is a key strategy to prevent the spread of COVID-19. As information is changing rapidly on how the virus is transferred as well as fully understanding how wide-spread contagions may presently be, determination was made to err on the side of safety.

Thank you all for understanding and support.
