- *ZOOM* – it has become clear that Willamette Neighborhood Association will need to come up with some kind of a meeting program. (We may need this for the fall also). ZOOM is a visual platform, it costs \$14.99 per month. Would you be comfortable using this? It is free to those attending the meeting, only WNA needs to pay the \$14.99 per month. Would you allocate the funds from the WNA budget to pay for this (about \$180.) and the electronics to support it? Do you have another suggestion?
- *Welcome Back* – (take out only): 1933, Willamette Cider House, MCMenamins, and Lark Café. Support our local restaurants.

Please email me at WillametteNA@westlinnoregon.gov to give me your input on how to proceed with: the land use on Blankenship and ZOOM. I am open to suggestions.
