

## **Willamette Neighborhood Meeting 1/13/2021**

Happy New Year!

No meeting, but we have 4 urgent notices

1) School district webinar. Jan. 27, 2021 at 6:00 p.m. to address the Athey Creek Middle School proposal on Dollar St. At this point I have no other information on this. Check the district website for the meeting codes.

2) Please fill out the City Council's Goal Setting survey for their Jan. Goal setting meeting

3) We are still looking for a secretary. Please join us on the board.

4) Our Post Office is due to close in 6 weeks (no extensions). The Post Office is due to close in mid-Feb. and they must be out of the building by the end of Feb. If you want the Post Office to stay in West Linn (full service) then you need to contact each of these people and make your wishes known. The more that do so the more likely the Post Office may stay (but most likely not at that location). The only way to "make this happen" is for our elected officers to lobby the Post Office Governing Board (financial). Please phone and call these representatives (to email Mr. Shrader's office or Mr. Wyden's office, just google them and it will take you to a page to email.)

Megan McKibben in Congressman Shrader's Office @ (503) 588-4486

Dan Mahr in Senator Merley's office @ (503) 201-4709

Ree Armitage in Senator Wyden's office @ (503) 326-7542

Everyone stay safe and healthy, see you in Feb.
